Dear Sir:

Please enter the following preliminary amendment in the above-captioned case.

Please amend the case as listed below.

IN THE SPECIFICATION:

Please replace the paragraph beginning at page 10, line ²⁷24 and ending at page 11, line ¹⁹15 of the specification with the amended paragraph shown below. A marked-up version of the amended paragraph is provided in attachment 1.

The presence of a different version identification number in a processor which forms part of a fault tolerant computing system described above provides a technical problem because processors within the fault tolerant computer system may have different
